

# Ben Franklin Elementary School PTO 2018-2019

## What is the PTO?

The BF PTO plans and organizes events which help fund MANY opportunities for our school and students. Wanna help? We are always looking for fresh ideas and helping hands to make our school the best for the children, teachers, and staff by providing supplies, events and activities that aren't included in annual school budgets.

This year, the PTO spent **\$19,087** this year from money earned through various events. Wonder where the money went?? Check out below!
